

Odyssey School *Parent Teacher Organization* Building a Better Tomorrow Membership Form

Odyssey PTO is a vital part of the school community that brings together parents, teachers, administrators and students. Join us and help make a difference in hundreds of lives—including those closest to your heart!

Our objective is to assist the Odyssey School staff in providing the best possible education for the students. To that end, every year we organize family and cultural events, raise funds to purchase items not in the school budget, and so much more! The box on the left shows some of our accomplishments from last year. We look forward to achieving great things for Odyssey this year also!

It is more important than ever to stay involved in your child's education. Studies show that when parents are involved in their child's education grades and test scores improve and there are fewer discipline problems. Plus, middle school students are more likely to continue on and graduate from high school and are less likely to use tobacco, drugs and alcohol.

Odyssey PTO needs your unique talents, whether it's volunteering a few hours a month or for special events, serving on the Board, helping on committees or attending meetings and events.

The easiest way you can help? Join the Odyssey PTO and help us **Build a Better Tomorrow** for Odyssey!
